AMENDMENT AND RESPONSE

Sir:

This is in response to the Office Action mailed August 12, 2003, the shortened statutory period for which runs until November 12, 2003.

IN THE SPECIFICATION:

In the Office Action, the specification was objected to because reference number 116 on lines 10, 17 and 19 of page 9 is not described in the drawings.

The drawings have been modified to include reference number 116. Hence, the specification need not be amended.
